FIRST ASST. SECRETARY TO GOVERNMENT

DEVELOPMENT DEPARTMENT

Sub:- Fish Curing Yards - Kizhur and Bockapatnam in the West Coast - Loss recovery from the Curers.

Ref:- (1) G.O.Ms.No.679 Development dated 22-2-52.
(2) G.O.Ms.No.983 Development dated 10-3-52.

In the reference 1st cited above, Government have agreed with the proposals of the Director of Fisheries, Madras contained in this office letter No.26645 C3/51 dated 17-1-52 that no recovery need be made from the fish Curers of Kizhur Fish Curing yard for the loss incurred in running the yard from 5-2-1951. Petitions are pouring in from the Curers of this yard requesting to waive the loss sustained by Government in running the yard during 1949-50 and 50-51. They have been informed that their request for waiving the loss in running the yard during 1949-50 and 50-51 cannot be complied with and that the question of waiving the recovery of loss from 10-11-50 that is the date from which the salt subsidy scheme came into force would be considered if the loss incurred upto 10-11-50 is promptly paid. The loss incurred to Government in running the yard upto 10-11-50 has been paid by the Curers and remitted into the Treasury. Since the Curers have paid the loss in running the yard up to 10-11-50, the question of waiving the loss from 10-11-50 to 5-2-51 has to be taken up now. The loss sustained to Government in running the yard from 10-11-50 to 5-2-51 is Rs.532-13-0 as per the work sheet enclosed.

2. It is not fair to ask the Curers of this yard alone to remit the loss incurred to Government in running the yard from 10-11-50 onwards that is the date from which the salt subsidy scheme came into force when the Government have ordered in G.O.Ms.No.983 Development dated 10-3-52 to run the Fish Curing yards viz., Moolky, Hosabetta, Kirimanjeshwar and Mangalore without recovering the loss from the fish curers with effect from 10-11-50.

3. In view of the circumstances explained above, I request that the loss of Rs.532-13-0 sustained by Government in running the Kizhur Fish Curing yard from 10-11-50 to 5-2-51 may be ordered to be waived.

4. The Fish Curing Yard at Bockapatnam is a permanent yard with a staff of one Petty Yard Officer and one peon. It was closed in the year 1949 due to poor operation and this post of the Petty Yard Officer was kept in abeyance. When the curers subsequently requested for the reopening of the yard, Government have permitted in G.O.Ms.No.5524 Development dated 18-11-49 for the reopening of this yard along with the other closed yards subject to the conditions mentioned therein.

5. The yard was reopened on 17-11-50 when the curers had furnished the required security with the permanent staff of a Petty Yard Officer and a peon. The yard is being continued with the same staff.

6. Considering the sanction accorded to other yards to run without recovering the loss from the curers in G.O.Ms.No.983 Development dated 10-3-52, this yard (Bockapatnam) may also be allowed to run without recovering any loss from the curers with effect from 17-11-50 that is the date from which the yard was reopened.
